

Groups, Catering & Special Events

The award-winning Michael's On East organization is proud to serve as the official culinary partner for Marie Selby Botanical Gardens.

Michael's Events & Catering is the exclusive caterer for all events celebrated at Selby Gardens. For groups touring the Gardens, a special menu and other accommodations are offered.

Choose to dine as a group in the café, outside under the banyans or in your own special spot in the Gardens.

Continental breakfast, large group coffees (up to 300 people), boxed lunches or an afternoon reception with light appetizers and beer, wine or champagne can all be arranged.

To learn more about hosting a special event, call 941.366.5731, email catering@selby.org or visit selby.org.
